BRINGING BATHROOMS TO LIFE, FOR LIFE

Toilets	Regent CC Fully BTW Pan

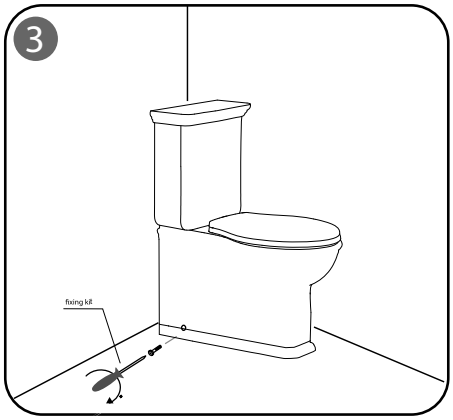

- Please read these instructions carefully before starting installation.
- Check the product for missing parts and damages.
- In the unlikely event of product failure, please refer to supplier concerning product guarantee.
- We strongly recommend the use of a qualified plumber .
- In new buildings it is recommended to fill the traps with water to ensure toxic gases do not corrode the surface of the taps and seat fittings
- Fix all the outlet and inlet valves before installation.
- Periodic cleaning and maintenance should be used to avoid formation of damaging lime scale deposits.
- Astringent cleaning agents may damage some materials, such as seat hinges and plastic components

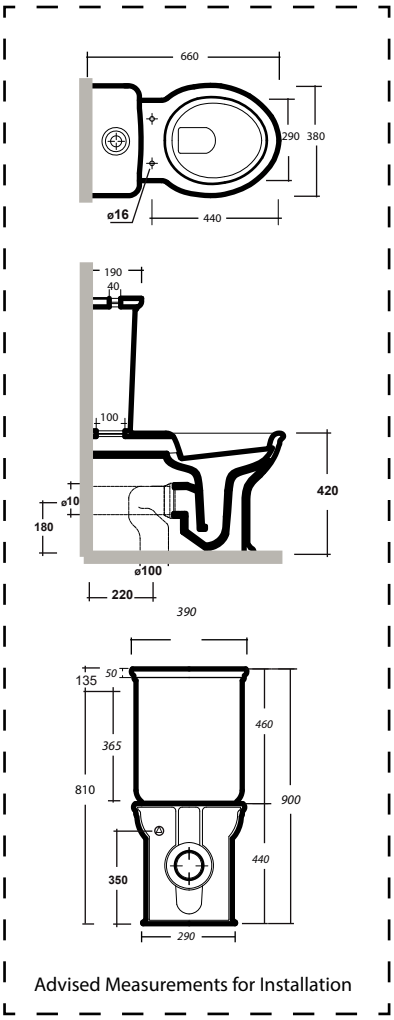

1 - Prepare the water inlet, the soil pipe connection and the fixing screws according to the given measurements depending on your trap type

2 - Install flushing mechanism in the cistern. Prepare the connection for the cistern flushing according to the given dimensions. Place the WC concealing brachets and push it to the wall. We suggest lubricating both sides to make the connection easier, ensure alignment of both pieces.

3 - Align the WC and secure it with the fixing nuts provided. We recommend tightening the nuts alternately to secure an equal fit against the wall

Advised Measurements for Installation

We recommend that all products are purchased with the assistance of a specialist bathroom retailer and always installed by an experienced installer who is a member of a recognised association. All sizes quoted are nominal : items may vary by +/- 2% against the figures quoted. When planning installations where dimensions are critical, it is essential that the space allowed for the individual items is physically checked. IBC Products LTD cannot be held liable for any costs associated with items not fitting in any given area. The contents of this statement are based on information correct at the time of publication. We reserve the right to make alterations in product characteristic, fixing, packagine, operation etc. at any time without notice.
